

# Triangle

## Challenge

It is a tournament and fundraiser all in one. Boomer is challenging the Triangle, everyone from the age of 6 to 92 to raise \$50,000.00 for these organizations. Robert Allen Gibson is donating all the tennis time free of charge, so you can get something for your time and energy to strengthen our community:

Boomer the tennis robot presented by Do It Right Sports, is the first match playing, tennis talking, interactive computer tennis machine in North Carolina. Try to match wits with Boomer. In this Double elimination tournament and other fun activities against Boomer, you will raise money for some great causes and get to have fun doing it. You could win a trophy for raising the most money or the trophy & reputation for beating Boomer at your level. Boomer plays everyone from kids at 2.0 to Adult professionals. Yes, all you Club and City Professionals are challenged too. No one will be left out of this fundraiser. We all can help. This fundraiser is going from September 1, 2009 to September 30, 2009. So get started and go to [www.DoItRightSports.com](http://www.DoItRightSports.com) to get your Pledge forms, Application and schedule your first match with Boomer. Alternatively, call Robert at (919) 522- 9463. If you do not have money to participate, you just need to get some friends to sponsor you on our pledge forms. You can collect food for the Food Bank it only takes 5 cans of food. Every little bit helps.
